Hundreds Paid Last Respects To Mrs. Esther LeFils

Cremation Services Conducted
By Pahokee Chapter of
Eastern Star

Farewell services for the late Mrs. Esther LeFils were held at the Community Methodist church on Monday afternoon, with the Berry Funeral Home in charge of the arrangements. The sympathy of the church was inadequate to care for the company of friends who came out to pay her memory honor.

During the service Mrs. George Boydston sang two favorite selections of the deceased.

Clear across the wide space of the pulpit and chancel were displayed a most beautiful collection of flowers, a method taken by friends to show the high respect and love they had for the deceased and held for Mrs. LeFils.

The services of the hour were in charge of Mr. Leo Lefebvre, pastor of the church, she having long been an active member in the work of the church. His message was a very comforting one, chosen from the Epistles of the Bible and inspired words.

A delegation of 55 members of the Pahokee and Belle Glade chapters of the Order of Eastern Star turned out to honor one who had been a Past Worthy Matron of the former chapter and one who was held in high esteem by her compatriots.

The Pahokee chapter conducted the "Star" ritualistic ceremonies at the grave site at Woodlawn Cemetery in West Palm Beach, where burial was made in the funeral services friends had called at the Berry Funeral Home at Pahokee, so no review was made at the church services.

Services were given C. J. Aspey, A. E. Kirchman, Sallei Gordin, I. W. West, Pat Burke and J. V. Dell.

The list of family relatives who were present for the funeral services were:

Mr. and Mrs. T. A. Lee, Mrs. Robert Lee, Mr. and Mrs. Clayton Lee, James and John Lee, all of Miami; Thomas F. Lee, of Texas, Benjamin Lee of Maryland; Mr. and Mrs. Frank LeFils and Frank, Jr., Oak Park, Ill.; Mrs. G. C. Robert, Oswald and Isabel Lee, File, Geneva, Florida; and Mr. and Mrs. Joseph Thompson of Dana.

Labor Operators Hit Tough Season on the Virginia

Gulf Livingston, who took a crew of field laborers up into the Virginias to work on crops, has returned home having run into a bad weather and light crop situation.

The new crop was delayed

by cold weather and rain and when ready for harvest was not up to standard and brought little money on the market.

The new crop had to be on the crew operations and rapidly disposed of available operative funds.

Livingston is of the opinion

that the new crop of Glades operators will show much profit this year from their northern ventures.

The Country Club of the Everglades got off to a fast start in a series of club activity this week with the first ever golf tournament cut for a blind golf tournament on Saturday. Mrs. Cliff Livingston led a field of 23 entries with a fine 77 net. The players with him here to help manage the day's events: Mrs. Livingston was trailed by Mrs. Harold Rubin and one of the late entries, the ever popular "Sister" Davis.

One of the best four-somes in the tournament, both in looks and in skill, were Marie Clause, Edith VanLefils, and the late entries, the ever popular "Sister" Davis.

St. Lucie Cattle Did Not Like Kremer Island Pastures

Two weeks ago a syndicate placed 104 head of heavy Brahman steers on the pasture lands of Aspey Bros., on Kremer Island, in the sunken section of Ray Lake, in the Everglades.

The big brutes must have been creating their former home in St. Lucie county, for around 50 of them took flight and fled.

They soon swam across the lake to various points. Four of the animals later dying on the bank from exertion and exhaustion.

Most of the animals were hunted down, located in various spots about the east shore of the lake, the largest bunch being found in a dozen hours.

Both men rounded up the animals on St. John's river, from a commercial standpoint.

The report submitted was far more favorable to the commercial fishermen than it could possibly be.

The fisherman's report was set up by the Board, for future action will be directly along the line submitted by the Fisheries Association, more than a year ago, on findings of Dr. Smith, of Miami, a government fish expert.

On Saturday morning, while handling some of the cattle, one unhooked hook L. Tyner, of Canal Point, and a catch of trout.

He said he had a word that required urgent attention. Mr. Tyner was not seriously injured soon being back on the job.

Naval Reserve Asks

For Radio Trainees

For Camp Station

The Naval Reserve Division at Jacksonville is not overjoyed at the fact that the important spot in its services and working with the local organization of the Reserves to give it proper equipment to carry on its local work.

The Reserves now, recently provided the local unit with a late model transmitter and receiving machine, which has been installed in one of the buildings.

The Reserves friends had called at the Berry Funeral Home at Pahokee and one who was held in high esteem by her compatriots.

Health Board To Establish

Health Clinic For Chest X-Rays

Dr. Burton H. Austin, director of the Palm Beach Health Association, has announced that steps are being made for a program which will be open to all Palm Beach County people.

After a careful examination to determine whether or not people are afflicted in any manner with the white plague of tuberculosis.

The mass survey for persons over 16 years of age will begin sometime in October.

Jack O. Johnson, Naval Reserve officer, is anxious that all young men desiring to take a chest X-ray examination will come in rather than wait until they are called for.

Just when the new program will become active has not been announced. This fishing deal involves many points such as an economic one, the making of a living by men engaged in fishing.

Indications were given by

the Reserves that the

new clinic will be

located in the beautiful city of Columbia and other spots.

When the regiment was rated

as "excellent" so much

was made that announcement was made that immediate study will be inaugurated in third year work under the Army program.

County Budget Exceeds

\$300,000.00 For Coming Year

The County Board of Commissioners have released budget figures for the coming financial year for vast sum named to be raised on the millage and taxes. The amount may be increased in view of the new Commission has apportioned the funds for the various operations of county affairs.

Warren has announced that the tour of the which will cover the county seats of all of Florida's 67 counties will be held on the first of August.

He cites three simple practices to follow to reduce death losses namely, have the pigs dropped culled, and those which are free from parasites. Keep young pigs away from old hogs and let them go to market when they are from 8 to 10 weeks old; Give them plenty of food, including

the citrus problem, Lake Okeechobee fishing and plans for the inauguration on Jan. 4.

Florida Called Upon To Increase Its Pork Crop

The United States Department of Agriculture set forth this season to meet the situation and the great demand for this type of meat. Florida farmers have been requested to up their production 20 per cent and that goal has been met by W. S. Scarborough for One Year. Each farmer will be asked to contribute as a candidate with the City Clerk and the State Commissioner of Agriculture as a candidate will run in. There will be a primary election on Sept. 1 and the general election on Sept. 15.

Any person seeking the office of Commissioner of Agriculture and a qualified elector under the constitution may apply.

The election will be held at the County Courthouse on Sept. 15. The date for filing for Commission will be Aug. 15, 1948. The Office of the Clerk of the Circuit Court, Flagler Park, will accept written applications for the office to be nominated.
